# The world of Ants

By Melvin Berger

## Language:

What do you know about ants?  
 Where have you seen ants?  
 What is special about ants?  
 Do ants work together to live?  
 What types of ants are there and what are their different jobs?  
 What eats ants?

## Vocabulary:

Ant  
 Nest  
 Larva  
 Egg  
 Pupa  
 Cocoon  
 Queen  
 Head  
 Thorax  
 Abdomen

Week: \_\_\_\_

Activities:

Week: \_\_\_\_

### M

- Look at the cover. Discuss what the book may be about.
- Read text. Ask questions.
- Write about ants and something you have learnt about them. Illustrate.

- Read book.
- Stencil - word sequencing

### T

- Read book
- Draw a picture of an ant and label the body parts.

- Read book
- Make a model or sculpture of an ant.

### W

- Read book.
- Watch the movie Antz.
- Write an adventure story about ants.

- Read book.
- Write a description of one of the different types of ants or their predators. It could be a Who am I or a poem.

### TH

- Read Book.
- Stencil - Close passage

- Read book
- Stencil - Comprehension

### F

- Read book.
- Stencil - alphabetical order

- Read book
- Stencil - sentence sequencing

## Extension Activities:

## Evaluation:

# The World of Ants

## Cloze Passage:

Many \_\_\_\_\_ live together in a \_\_\_\_\_. Each nest has lots of small \_\_\_\_\_. In one room lives a large female \_\_\_\_\_, called the \_\_\_\_\_. Her job is to lay \_\_\_\_\_.

## Use these words to fill in the passage:

nest	eggs	rooms
queen	ants	ant

# The World of Ants

## Cloze Passage:

Where are the \_\_\_\_\_ rushing \_\_\_\_ To their \_\_\_\_\_...under the ground... within a log... on a \_\_\_\_\_... above the ground. Many ants \_\_\_\_\_ together in a \_\_\_\_\_. Each nest has \_\_\_\_\_ of small rooms. In \_\_\_\_\_ room lives a large female ant, \_\_\_\_\_ the queen. Her \_\_\_\_\_ is to lay eggs.

## Use these words to fill in the passage:

?	called	lots	nest	branch
one	nests	ants	job	live

# The World of Ants

## Cloze Passage:

Where \_\_\_\_\_ the ants rushing? To \_\_\_\_\_ nests... under the \_\_\_\_\_... within a log... on a \_\_\_\_\_... above the ground. Many ants \_\_\_\_\_ together in a \_\_\_\_\_. Each nest has \_\_\_\_\_ of small rooms. In \_\_\_\_\_ room lives a large \_\_\_\_\_ ant, called the \_\_\_\_\_. Her \_\_\_\_\_ is to \_\_\_\_\_ eggs. Each egg hatches into a \_\_\_\_\_. The larva does \_\_\_\_\_ look like an ant. The larva may \_\_\_\_\_ into an ant-shaped \_\_\_\_\_. Or the larva may make a \_\_\_\_\_. \_\_\_\_\_ help the \_\_\_\_\_ ant break out of the \_\_\_\_\_. A \_\_\_\_\_ of the ants are born with \_\_\_\_\_. They are large \_\_\_\_\_ and the \_\_\_\_\_ males. But \_\_\_\_\_ of the ants are very small \_\_\_\_\_, called \_\_\_\_\_. Some workers bring \_\_\_\_\_ to the \_\_\_\_\_.

# The World of Ants

## Cloze Passage:

Where **are** the ants rushing? To **their** nests... under the **ground**... within a log... on a **branch**... above the ground. Many ants **live** together in a **nest**. Each nest has **lots** of small rooms. In **one** room lives a large **female** ant, called the **queen**. Her **job** is to **lay** eggs. Each egg hatches into a **larva**. The larva does **not** look like an ant. The larva may **grow** into an ant-shaped **pupa**. Or the larva may make a **cocoon**. **Adults** help the **young** ant break out of the **cocoon**. A **few** of the ants are born with **wings**. They are large **queens** and the **smaller** males. But **most** of the ants are very small **females**, called **workers**. Some workers bring **food** to the **nest**.

# The World of Ants

## Sentence Sequencing:

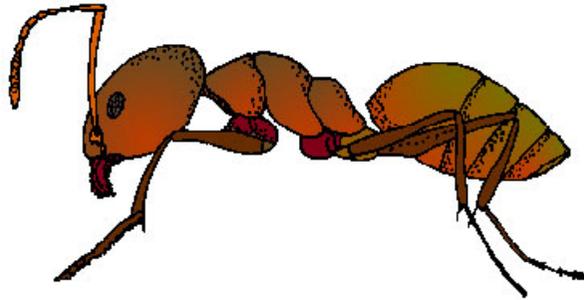

Each nest has lots of small rooms.

Her job is to lay lots of eggs.

Many ants live together in a nest.

Each egg hatches into a larva.

In one room lives the queen ant.

Cut out and paste these sentences in the right order in your book.

# The World of Ants

## Sentence Sequencing:

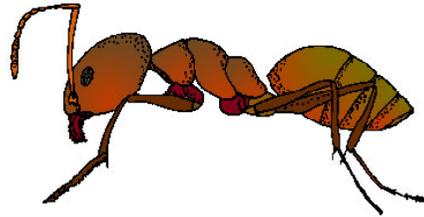

Many ants live together in a nest. Each nest has lots of rooms.

Her job is to lay eggs. Each egg hatches into a larva.

Where are the ants rushing?

In one room lives a large female ant, called the queen.

To their nests... under the ground... within a log... on a branch... above the ground.

Cut out and paste these sentences in the right order in your book.

# The World of Ants

## Sentence Sequencing:

- Many ants live together in a nest. Each nest has lots of rooms.
- Her job is to lay eggs. Each egg hatches into a larva.
- Where are the ants rushing?
- In one room lives a large female ant, called the queen.
- To their nests... under the ground... within a log... on a branch... above the ground.
- The larva does not look like an ant.
- Adults help the young ant break out of the cocoon.
- The larva may grow into an ant-shaped pupa. Or the larva may make a cocoon.
- The ant's body is like that of all insects. It has three main parts - Head, thorax and abdomen.

### Write these sentences in the correct order:

Where are the ants rushing?
To their nests... under the ground... within a log... on a branch... above the ground.
Many ants live together in a nest. Each nest has lots of rooms.
In one room lives a large female ant, called the queen.
Her job is to lay eggs. Each egg hatches into a larva.
The larva does not look like an ant.
The larva may grow into an ant-shaped pupa. Or the larva may make a cocoon.
Adults help the young ant break out of the cocoon.
The ant's body is like that of all insects. It has three main parts - Head, thorax and abdomen.
